By most measures, HoliMont is North America's largest private ski area. HoliMont has over 4,000 members, eight lifts, 50+ slopes and trails, and 140 ski acres. HoliMont is proud of its history, its goals and its members.

## Founder History

After witnessing the Winter Olympics at Lake Placid in 1932, William Merk, founder of HoliMont, was inspired to pursue his passion for skiing in the Ellicottville area. After skiing for years with the Ellicottville Ski Club on Fish Hill, and throughout the Greer and Holiday Valley areas, he decided to start a private ski club.

In 1961, he initiated purchase options on land parcels along Route 242 with the support of local investors. The name HoliMont, coined by the investors, was derived from Holiday Mountain. The first trail was cut in 1961 with seven more to follow. Skiers were towed up the steep hill on a fashioned sled behind a Tucker Sno-Cat®.

In the 1970s and 1980s, the club took off, and additional terrain and chairs were added. In 1995, the Greer Hill chair was added in the same location as the Greer Hill rope tow of earlier times.

Mr. Merk's vision carries on as ongoing improvements in snowmaking, trail grooming and lifts make HoliMont a beloved destination for thousands of skiers each season.

## SNOWSPORTS
