### Christmas Camp

Dec. 27-30<sup>th</sup> there will be four full days of fun and learning for Intraclub, Travel, Adults and Snowboard racers alike. Morning and afternoon sessions all four days, with fun and exciting camp races the final afternoon followed by the Jet Set family party. Coaches remain with the same group throughout the camp and most will continue to coach the same racers throughout the ski season. Groups will concentrate on skiing fundamentals and work up to both Slalom and Giant Slalom techniques and tactics. There is no better way to improve yours or your children's skiing than the basic skiing and gate training drills used by our professionally trained USSCA, CSCF and PSIA staff. **\$225-275**

Adult groups have morning sessions only: 9:30am to 12noon  
Four days of skiing fundamentals, gate-training drills, tuning and waxing clinic, do not miss it!

### Intra-club Program & Camp

This program is designed to introduce young skiers to the excitement of ski racing. Group size is usually 5 or 6 racers to one certified coach. The coach typically remains with the same group throughout the season. The aim of the program is to be a fun atmosphere while promoting skiing improvement and adaptability while giving young skiers an opportunity to meet kids their own age and develop new friendships. Prerequisites include the athlete being able to parallel or wide-track, be a minimum of 7 years old, and able to get on and off all ski lifts unassisted. Athletes have typically graduated from the HoliMont Stepping Stone Program. Athletes in the Intra-club program could be moved to the Stepping Stone Program if the coaches feel the young skier's skills need refinement. **Camp:** December 27-30 morning and afternoon sessions daily **Program:** Jan. 6 - March 14 Morning sessions 9:30 to 12:00 with optional Saturday afternoon session 1:00-2:30, **\$500-775**

### Adult Racing Program

The HoliMont Adult Racing program is a fun, challenging, and competitive curriculum designed to help improve your personal skiing and racing skills. It offers adults of all ages the opportunity to meet and ski with others that have a passion for developing and honing their competitive talents. An emphasis is placed on individual skill development, movement patterns, energy management, and racing tactics to generate improved ski performance. Each participant has the opportunity to choose between race training in gates or skill development sessions on closed racecourses and dedicated training arenas. **\$325-650**

**Camp:** December 27-30

**Program:** January 5-March 14

### Travel Entry Program

This option is a price break for any Racer **NEW** to our traveling race programs. Take part in a reasonable racing competition schedule that provides outstanding coaching and group camaraderie. These athletes will mesh with their age appropriate program, which is tailored to young racers who wish to try the travel program. Races include the first two NFSC Council Races, typically Holiday Valley and HoliMont, Kandahar Race, two Intraclub Races. ***This option is only available for one season. \$700***

### Competition US Ski and Snowboard & NYSSRA Junior Program

Our Junior Programs are for our athletes between the ages of 7 and 19 who are currently competing or would like a chance to compete locally in Western NY. At this level, our junior racers are provided the opportunity to test their ability at the regional, state, and possibly the national level with kids their own age. The Junior Programs consist of four training groups; each with highly qualified USSCA, CSCF, and PSIA certified coaches. This is the elite training program, where we hope all young racers who enter our Intraclub program will someday participate. U8/U10/U12, U14, U16, U19+. Many of our junior athletes have shown great success at the state, regional, and national level with many medals and top 10 finishes in all age groups. **\$800-1350**

**Camp:** December 27-30

**Program:** January 5-March 31

### Snowboard Competition Program

This program is designed to develop athletes from the basic rider up through all aspects of snowboarding competition. The **USASA WNY Series** will be the primary competition avenue for these athletes as program participants have the opportunity to compete in a variety of disciplines including Alpine Giant Slalom and Slalom, BoarderCross, Slopestyle, and Halfpipe. Groups concentrate on basic riding skills up through specific techniques in whichever discipline(s) they are to compete. The coaches are USASA certified and they will work with each rider individually to help them best achieve their goals, and our snowboarders have impressive results in the past few years with many of our racers qualifying for and then winning medals at the USASA Nationals.

For athletes planning or interested in **FIS Competition** participants must be 13 years or older, have one year of hard board experience, and have competed at USASA Nationals at least twice. These athletes must have the willingness to take the time and physical commitment of this rigorous FIS Bound program and extensive travel to all FIS events. Cost and availability will be additional and dependent on participation and must be coordinated with Travis Widger and Snowboard Coaching Staff on an event-by-event basis. This includes attending USASA Nationals. If you plan to attend please this event in Copper, CO, you need to contact Travis prior to January 31 so that we can plan accordingly. **\$1150**

**Camp:** Dec 27-30

**Program:** Jan 5 -March 31
